### CONTINENTAL BREAKFAST \* BRUNCH \* SIESTA \* DINNER \* NIGHT CAP

Each individual resident shall define his/her quality of life and be encouraged and assisted to maintain a high degree of personal independence. One way Lake Manor meets this mission is to provide a resident choice meal plan. This allows resident to have much more choice in their dining experience. It also better allows the facility staff to adapt to the resident's lifestyle rather than the resident adapt to the facility's timeframes. Resident choice is the primary goal of the meal plan. The resident, rather than the facility, will choose when they want to get up in the morning. The resident will choose whether they want to sleep in or get up and enjoy the continental breakfast
